¹ Wheat & Gluten categories are combined since all Subway® gluten-containing items contain wheat.

² The Gluten-Free bread is manufactured in a Gluten-Free facility. However, other menu items and ingredients in our restaurants contain gluten and are prepared on shared equipment, so we cannot guarantee that our menu items are 100% gluten-free.

*Only contains highly refined oil from this ingredient. FDA exempts labeling refined oils as allergens since they can be safely consumed by food-allergic individuals.

**Due to the nature of how these cookies are displayed in the restaurant they may come in contact with other nut containing cookies. Peanut butter cookie may contain macadamia nuts due to manufacturing process.
