

Australia Ingredient Information for People with Food Allergies and Sensitivities
South Australia OTR School Lunch Program
December 2025

This list is compiled based on product information provided by Subway® approved food manufacturers. Every effort is made to keep this information current however it is possible that ingredient changes and substitutions may occur before this list is updated. This chart does not include regional or special promotional items as ingredients vary. We go to great lengths to identify allergens in the food we prepare. However, we are unable to guarantee that any items sold are free from the listed allergens. There is always a risk that allergens may be transferred to items from our menu during processing, storage or preparation in our restaurants. Individual food items may come into contact with one another and this is not reflected on the Allergen Guide.
